Festivities with Fun, Family and Friends!

Mayfair, Memorial Day, Music Fest

With warmer weather here, we are enjoying some of the village's favorite spring and summer celebrations. We kicked off the spring season with Mayfair, gathering our families together to share precious time. Next came the opening of the pool on Memorial Day, accompanied by a delicious cookout featuring Innisfree beef, rolls, and veggies!

Linda loves seeing her sister Beth at Mayfair.

In June, we hosted our second annual Music Fest. Despite flooding rains in the days leading up to the festival, and waking up to no power the morning of, the unstoppable spirit of Innisfree (and help from a few generators) led to a fantastic day of music, dancing, food, and friends! Thanks to all who joined us for these events! With much of summer left to enjoy, we can't wait to see what the coming months will bring!

Brooke's mom and niece make purchases from the craft fair.

Wes and Biff take care of the beverage window at Mayfair.

Tommy and his brother Jim relax outside with refreshments.

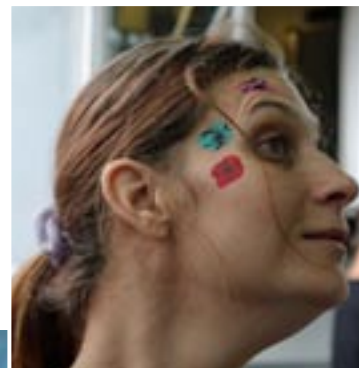

The start of the pool season is always favorite for so many!

Tee and Heyward take it easy.

Laurel ladies plus Corinne keep it cool.

Brooke and her flower face paint bringing the sun

Arianna shares her face painting skills with us during the festival.

James joins Grainneog for a tune; the crowd goes wild!

Cathy and the music class put the music in music fest!

Laurel House enjoys food from Two Brothers Southwestern Grill.

Introducing "Fired Up's" newest groupie: Chris!

Connie and Barbara Fried catch up.

Carol, one of our many amazing organizers, takes a break to dance.

Stay tuned ...

There have been some questions about how the new tax law will impact your donations to Innisfree. We plan to include a more detailed summary of these changes with our annual appeal. For now, please note that your donations are still as important as ever! Although the rules for deductions have been modified, charitable gifts may still be beneficial for income tax purposes. There are also other gifting strategies that may be appropriate (such as Qualified Charitable Distributions from IRAs). While we will provide as much detail as possible in November, we encourage anyone with questions to consult your tax advisor. *Thank you for your continued generosity.*
